From the acclaimed bestselling author of *Sushi for Beginners* and *Angels* comes a collection of personal essays on shopping, writing, moviemaking, motherhood and all the assorted calamities involved in being a savvy woman in the new millennium.

Her novels are read and adored by millions around the world, and with *Under the Duvet*, Marian Keyes tackles the world of nonfiction. These are her collected pieces: regular bulletins from the woman writing under the covers.

Marian loves shoes and her LTFs (Long-Term Friends), hates realtors and lost luggage, and she once had a Christmas office party that involved roasting two sheep on a spit, Moroccan-style. She's just like you and me ...

Featuring a wide compilation of Marian's journalism from magazines and newspapers, plus some exclusive, previously unpublished material, *Under the Duvet* is bursting with funny stories: observations on life, in-laws, weight loss, parties and driving lessons that will keep you utterly gripped -- either wincing with recognition or roaring with laughter.
